REASONS FOR INVESTING

- Investments in a diversified portfolio of debt securities, equities, instruments and contracts which are backed mainly by marketable securities.
- Investment considerations include interest income, capital gains and preservation of capital.
- The Fund aims to generate an attractive level of revenue by investing mainly in both government and non-government bonds denominated in TT\$ and US\$.
- The Fund provides exposure to hard currency and global markets through select US\$ investments.

PORTFOLIO MANAGER

The professional fund manager is ANSA Merchant Bank Limited, one of the Caribbean's leading financial institutions, which has its roots in well-known local and international finance houses. ANSA Merchant Bank Limited is a publicly quoted company on the Trinidad & Tobago Stock Exchange with market capitalization in excess of \$3.7 billion.

The Bank manages portfolios in excess of \$8 billion (including insurance funds and pension plans), which demonstrates the strength and depth of our fund management expertise. ANSA Merchant Bank's range of Financial Services includes:

- *Business Banking*
- *Lease Financing*
- *Private Wealth Management*
- *Mutual Funds*
- *Pension Fund Management*
- *Corporate and Investment Banking*

In accordance with good industry practice, the Funds engage independent Trustees.

For further information on the ANSA TT\$ and US\$ Income Funds and how they will help you fulfill your investment needs, send an email to mutualfundsales@ansamcal.com or call (868) 285-9009.

IMPORTANT DISCLOSURES AND DISCLAIMERS

These Funds are neither insured with the Deposit Insurance Corporation in Trinidad and Tobago nor are they guaranteed by the Central Bank of Trinidad and Tobago or by any of the parties related thereto. Performance is subject to variation and is likely to change over time; past performance should not be considered indicative of future performance. Portfolio holdings, duration and mix data are at February 28th, 2023. As at February 28th, 2023, cash holdings accounted for 3.9% of the TT\$ Income Fund and 11.3% of the US\$ Income Fund portfolio assets. 1 Year, 3 Year, 5 Year and Inception cumulative returns are calculated on a trailing basis. Important information concerning the investment goals, risks, charges and expenses are contained in the prospectus, copies of which are available at ANSA Merchant Bank or from our website and investors should carefully consider these before investing.
